Ref: - Message through mail Dated. 05.08.2025 of the Assistant Section Officer,
Ministry of Cooperation

Sir,

Please refer to the message of the Assistant Section Officer, Ministry of Cooperation cited above, the celebration of the International Year of Cooperatives 2025 (IYC), the following programmes have been conducted and implemented in the UT of Lakshadweep Administration.

Actions Already Initiated:

- A tree plantation campaign under the theme “Ek-Ped Maa Ke Naam” has been initiated and conducted, involving all cooperative societies across the islands.
- A Common Service Centre (CSC) has been opened on one island as a pilot project, as part of the International Year of Cooperatives initiative.
- A skill development training programme has been provided to the Board of Directors and stakeholders of newly formed and registered Multipurpose Fishermen Cooperative Societies.
- For publicity of the IYC celebrations, it is proposed to design and display banners across all islands.

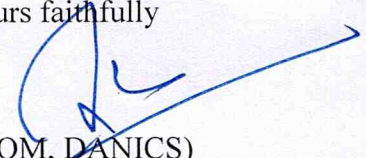

Proposed Future Plans:

- Conduct painting competitions for school students to engage youth in cooperative awareness.
- Establish another Common Service Centre on a different island during the current financial year.
- Organize training and awareness programmes on the importance of cooperatives in the present economic scenario, specifically targeting the Board of Directors and staff of cooperative societies.
- Conduct seminars and field programmes to promote the relevance of cooperative societies, and provide training to youth across 10 islands.
- Organize awareness and field programmes for registered Self Help Groups (SHGs) to strengthen their understanding and participation in cooperative initiatives.

The Department of Cooperation remains committed to actively promoting International Year of Cooperatives 2025 through various initiatives and programmes. All efforts are being undertaken to strengthen Cooperative Societies and to ensure their meaningful contribution towards social and Economic development.
