

BANDIPORA

PACS	1. Kralpora, Block Bandipora	Awareness Camp	Awareness camps were held at four (04) different places within Block Bandipora of District Bandipora about the schemes of the Department	Participants were sensitized about the initiatives taken by the Department of Cooperatives to foster the needs of Cooperative members so as to make them self dependent. As the Primary Agricultural Cooperative Societies (PACS) have already been made multi-functional and multi-dimensional by the adoption of Model Bye-Laws, this will enable the Societies to create market venues for the essential items of daily use.	13	The Participants after the successful conduction of awareness camps,pledged on spot to register more and more Cooperative Societies/Cooperatives with the Department. Besides, the Participants expressed joy and voted thanks towards the Department for conducting the awareness camps in far flung areas.
