These products, which are locally sourced and packaged, highlighted the efforts of the cooperative sector in promoting sustainable livelihoods and economic self-reliance in the region. During their inspection of the stall, the dignitaries appreciated the quality and presentation of the local products. The Chief Guest, Honorable MLA and LOP lauded the efforts of the cooperative members for value addition, packaging, and diversification of products under the cooperative framework. He emphasized the importance of cooperatives in enhancing rural income and empowering local communities.</p>
