Tree Plantation Drive

On 14th August 2025, in honour of Independence Day and as part of the “Ek Ped Maa Ke Naam” campaign, a special tree plantation drive was conducted at all five branches of Janata Cooperative Bank Ltd. The initiative was led by the Managing Director of JCBL, who personally participated in the planting activities and inspired all staff to join the effort.

Employees at each branch enthusiastically engaged in planting saplings within the office premises and surrounding areas, demonstrating their commitment to environmental conservation. This drive aimed to promote ecological responsibility and create a green, clean environment, reflecting the bank’s dedication to social and environmental causes.

The plantation drive not only marked the celebration of Independence Day but also strengthened the spirit of teamwork among employees and encouraged sustainable practices in support of the “Ek Ped Maa Ke Naam” movement. Staff members pledged to care for the newly planted trees, ensuring their growth and long-term survival.
