## Monthly Activities Report – May, 2025

09/07/2025

### Event: 3/3

**Name:**

National Federation of Cooperative Sugar Factories Ltd.

Criteria	Details
Sector	Sugar
Location	<b>Date:</b> 15-22 June, 2025 <b>Venue:</b> Brazil
Event / Activity Name	India Brazil Sugar & Bio-Energy Mission.
Brief Information on the Activity	<p>Brazil is the king maker of Global Sugar &amp; Bio-Energy Sector. It is the largest producer of all grades of Sugar &amp; Ethanol and is also the largest exporter of both. Brazil with its unique biofuel policy has set an example of ethanol blending and flex fuel cars.</p> <p>With a view to visit prominent sugar &amp; ethanol plants and meet prominent stakeholders including policy makers during Brazil's peak operation period, we at National Sugar Federation in association with Brazilian Embassy in Delhi and Indian Embassy in Brazil planned a 'Brazil Study Visit' under the leadership of Shri Harshvardhan Patil, President, NFCSF and was participated by Managing Director, NFCSF along with stalwarts of Indian Sugar &amp; Allied Sector. The 27 participants included one sitting Minister from Govt. of Maharashtra, One Member of Parliament, One Former Minister, Three MLAs, and Chairmen, Directors, technocrats, Engineers, Trader etc.</p>

Objective	To understand the Brazilian Sugar & Bio-Fuel market and possible collaboration for Indian Cooperative Sugar Mills.
No. of Participants	27 nos.
Achievements & Outcomes	<ol style="list-style-type: none"> <li>1. Brazil's Research &amp; Development organization CTC has the world's largest sugarcane Germplasm Bank. On an average, CTC launches 4-5 new cane varieties every year. CTC's long term vision is to double the cane yield from current 75 T/Ha. India's in roads of AI integration in cane farming &amp; prospects of AI usage in cane breeding is a potential collaboration area.</li> <li>2. Brazil's highest level of plant automation &amp; mechanization in cane farming from planting to harvesting can be replicated in Indian Sugar &amp; Bioenergy sector.</li> <li>3. With G-20 initiated Global Biofuel Alliance, both countries can join together to strengthen South-South Cooperation creating a United voice for the Global South.</li> </ol>
