Place of Visit	Head office-The Jalandhar Central Cooperative Bank ltd.
Purpose/ Objective of Visit	The IYC programme by DDM
Names & Designations of main participants	District Manager, officials-CCB, PACS secretaries, DDM, etc.,.
Important issues discussed	Environment Day
Views/ Suggestions expressed by DDMs	World Environment Day, celebrated on June 5th, is a global event that encourages us to take action to protect our planet. It was also discussed that how daily choices affect the environment and to make a commitment to live more sustainably. By reducing waste, conserving water, and protecting wildlife, we can all play a role in preserving the beauty and health of our planet for future generations. Let's work together to create a greener, cleaner, and more sustainable world. It was also emphasized by the undersigned that we must reduce, reuse, recycle for a cleaner planet. The sustainability may be there if we use the nature judiciously and return to the nature by planting the trees. On the occasion DDM distributed 35 trees of Guava and neem.
Outcome of the Meeting/ Action Points resolved	NABARD contributed 35 Plants to the environment on the occasion of IYC programme on Environment Day.
Deliverables with Timeframe	Yes
Support/ intervention required from RO	More awareness under reduce, reuse and recycle is required for a sustainable growth.
