

Cooperative Activities Report at Ranchi, Jharkhand (16th April 2025)

Criteria	Details
Sector	Departmental Scheme
Location	Office of The Registrar Cooperative, Jharkhand, Ranchi
Event/Activity Name	One Day Workshop of all Cooperative Officers and Auditors of the State of Jharkhand
Brief Information on the Activity	A one-day workshop is being organized to comprehensively review all ongoing Central and State schemes related to the cooperative sector. The aim is to evaluate the current progress, identify gaps, and formulate a focused action plan to achieve new goals and targets during the <i>International Year of Cooperatives 2025</i> . This initiative seeks to strengthen the cooperative movement across the country by enhancing coordination, improving implementation, and aligning efforts with the national vision for inclusive and sustainable development through cooperatives. Stakeholders from various departments, cooperative institutions, and experts will participate to ensure a collaborative and outcome-driven approach.
Objective	As part of the <i>International Year of Cooperatives 2025</i> , a focused initiative is being undertaken to strengthen the Cooperative Movement by educating and motivating cooperative officers at all levels. The objective is to build awareness, enhance capacity, and inspire proactive participation in achieving cooperative goals. Through targeted training, workshops, and engagement programs, the initiative aims to empower officers to drive innovation, efficiency, and inclusiveness in the cooperative sector.
No. of Participants	287
