37	21-04-2025	KHUNTI	ARCS khunti circle khunti office hall	Lamps	ARCS OFFICE KHUNTI	AWARENESS programme and WORKSHOP	Khunti	To strengthen rural economic development, awareness programmes and workshops are being conducted focusing on various cooperative schemes. These sessions aim to educate stakeholders on government initiatives, financial inclusion, and business opportunities. Discussions are held through MPCS (Large Area Multi-Purpose Societies) and MPCS (Primary Agricultural Credit Societies) to explore potential cooperative ventures, improve operational efficiency, and encourage entrepreneurship at the grassroots level.	Co-operative societies play a vital role in boosting the income of people, especially in rural and semi-urban areas. By pooling resources and working collectively, members gain better access to markets, reduce costs, and improve bargaining power. Agricultural co-operatives help farmers get fair prices by eliminating middlemen, while dairy and handloom co-operatives enable value addition and direct sales. Credit co-operatives provide affordable loans, reducing dependence on moneylenders. Co-operatives also support skill development, entrepreneurship, and women's empowerment. With proper training, infrastructure, and market linkages, co-operative societies can significantly enhance livelihoods and promote inclusive	65	3-4 hours	Cooperative initiatives are essential for strengthening communities, fostering self-sufficiency, and driving inclusive development.		
38	21-04-2025	PALAMU	DISTRICT PALAMU	MPCS	DCO OFFICE PALAMU	Conference	JOINT CO-OPERATIVE OFFICE PALAMU	Orientation In this activity, the DCO of Palamu motivated all the MPCS chairpersons to engage in the fertilizer and seed business. The DCO emphasized that by purchasing fertilizers and seeds through the MPCS, farmers in every panchayat would be empowered, ensuring benefits for all farmers.	The Chairman encouraged all the MPCS to engage in the fertilizer, CSC, seed business, other Cooperative activities.	55	1 Hour	The Chairman encouraged all the MPCS to engage in the fertilizer, CSC, seed business, other Cooperative activities.

49	23-04-2025	Chatra.	Vill+Panchayat- Majghanwa, Block- Mayuhant.	Fisheries.	ARCS Office.	Orientaion programme on fishries cooperative societies under IYC2025	Majghanwa.	Fisheries societies play a crucial role in empowering local communities, particularly in rural and coastal areas, by providing a platform for fishermen and women to collectively manage resources, access markets, and improve their livelihoods. These societies enable members to pool their resources, share knowledge, and enhance production methods, leading to better yields.	Through collective bargaining, fisheries societies help members secure fair prices for their products, reduce middlemen interference, and access better tools and technologies. Additionally, these societies often offer financial support, training, and capacity-building, which can improve fishing practices and increase production efficiency. By organizing their efforts, members can increase their income through higher-quality products, more sustainable fishing practices, and expanded market access. Fisheries societies also promote long-term economic stability for their members, contributing to overall community growth and development.	43	one hour	They were aware of the event and eager to actively participate.
