

**IYC -NABARD- Cooperative Literacy Camp on Organic Farming & Climate Smart Agriculture at village Alamgarh, Fazilka, Punjab on 25.06.2025**

**Name of District and DDM:**

Fazilka District – Sh. Prashant Baloda, Assistant General Manager

**Date of Event:**

25 June 2025

**Place of Event:**

Alamgarh PACS, Abohar Block, Fazilka

**Purpose / Objective of Event:**

To build awareness among farmers and PACS members on the relevance of organic farming and climate smart agriculture, and to promote the role of cooperatives in facilitating sustainable rural development under IYC 2025.

**Names & Designation of Participants:**

- Sh. Prakash Chand, Scientist, KVK Abohar
- Sh. Harender Dahiya, Scientist, KVK Abohar
- Sh. Prashant Baloda, AGM & DDM, NABARD Fazilka
- Farmers and members of Alamgarh PACS

**Important Points Discussed:**

- Introduction to organic farming practices and their benefits for soil health, productivity, and long-term sustainability
- Need for climate-resilient agriculture to counter changing weather patterns and environmental degradation
- Discussion on the role of cooperatives (especially PACS) in disseminating sustainable practices at the grassroots
- Encouragement to leverage PACS infrastructure, including credit services and training support, for climate-smart interventions
- Interaction with farmers on topics such as loan repayment, digital security, and cooperative service delivery
