28	24-06-2025	DISTRICT COOPERATIVE OFFICE	KALYANPUR GARHWA	PACS LAMPS	DCO GARHWA	BEEI DISTRIBUTE	PACS OFFICE	Khairif seeds were distributed to PACS/LAMPS through 13 nodal agencies in Garhwa district so that farmers can get seeds from PACS/LAMPS at the right time and do farming. This helps farmers to get good quality seeds and get better crops at low cost.	The main objective of government seed distribution is to provide quality seeds to farmers, so that their yield and income can increase. This scheme is run every year.	35	1	Under government schemes, seeds are available to farmers at a price lower than the market rate, which reduces their cost. High quality seeds are distributed through the department, which help in giving better yield. In Garhwa district, paddy, maize, pigeon pea, sorghum, ragi, urad, groundnut, sesame, madua, etc. were distributed to farmers at 50% subsidy. Farmers of Garhwa district are very excited to get government seeds at 50% subsidy. Farmers have started sowing seeds in their fields as soon as they received the seeds. Along with seeds, fertilizers are also being made available to the farmers in the Kharif season by IFFCO and other companies.
