The "Ek Ped Maa Ke Naam" initiative has profoundly resonated by connecting environmental conservation with the deep emotional sentiment of honoring mothers.
<b>Objective</b>	This unique initiative seamlessly blends environmental consciousness with a heartfelt tribute to mothers, encouraging citizens to plant trees as a mark of love, respect, and honor for their mothers and Mother Earth.
<b>No. of Participants</b>	526
<b>Achievements &amp; Outcomes</b>	<p>Ek Ped Maa Ke Naam" campaign has created a significant impact by:</p> <ul style="list-style-type: none"> <li>• Enhancing Green Infrastructure:</li> <li>• Promoting Sustainable Lifestyles: Aligning with "Mission LiFE" (Lifestyle for Environment) by encouraging eco-friendly practices and fostering a deeper connection between individuals and nature.</li> </ul>
<b>Photographs &amp; AV Content</b>	
<b>Additional Remarks</b>	The campaign aims to continue its momentum, with plans for even more extensive plantation drives and a sustained focus on nurturing the planted trees. The integration of digital platforms and widespread public participation will be key to ensuring the long-term success of this remarkable initiative, solidifying its place as a powerful symbol of gratitude and environmental stewardship in India.

## Monthly Activities Report from Telangana.

Criteria	Details
<b>Sector</b>	Primary Agriculture Cooperative Societies
<b>Location</b>	Parkal MLA Camp Office, Hanumakonda District, Telangana
<b>Event/Activity Name</b>	Farmer Awareness Program: Organic and Natural Farming ,dt.26.06.2025
<b>Brief Information on the Activity</b>	An awareness program was conducted as a part of International Year of Cooperatives to the Farmer on Organic and Natural Farming to highlight the importance of organic and natural farming methods in the face of issues arising from the use of chemical fertilizers and pesticides, such as soil degradation, environmental pollution, and adverse effects on human health.
<b>Objective</b>	To educate farmers how to achieve higher yields, cultivate healthy crops, and preserve soil fertility by adopting the sustainable practices.
<b>No. of Participants</b>	526
<b>Achievements &amp; Outcomes</b>	Live demonstrations were conducted on the preparation of Jeevamrutham and Beejamrutham. The mulching method was explained, and its benefits were highlighted. A demonstration was given on growing vegetables in a kitchen garden using organic methods. Several farmers who are already practicing organic and natural farming shared their experiences.
<b>Photographs &amp; AV Content</b>	
<b>Additional Remarks</b>	This awareness program provide the knowledge about organic and natural farming to all attendees. Farmers clearly understood the disadvantages of chemical farming and the advantages of organic methods. Many farmers expressed interest in implementing these practices on their farms. We hope that conducting more such sessions in the future will extensively promote organic and natural farming.

<b>Sector</b>	<b>Primary Agriculture Cooperative Societies</b>
<b>Location</b>	<b>PACS Thattepally, Vikarabad District</b>
<b>Event/Activity Name</b>	Farmer Awareness Program: 1. Organic and Natural Farming 2. Plantation of 100 Saplings under IYC 2025 “Ek Ped Maa ke Naam”.
<b>Brief Information on the Activity</b>	An awareness program was conducted as a part of International Year of Cooperatives on Farmer Awareness Program: Organic and Natural Farming by the DCO, Vikarabad including District Development Manager, NABARD, employees from the Cooperative Department and numerous farmers residing within the Thattepally PACS Jurisdiction. The awareness program was organized to highlight the importance of organic and natural farming methods in the face of issues arising from the use of chemical fertilizers and pesticides, such as soil degradation, environmental pollution, and adverse effects on human health.
<b>Objective</b>	To educate farmers on how they can achieve higher yields, cultivate healthy crops, and preserve soil fertility by adopting these sustainable practices.
<b>No. of Participants</b>	150
<b>Achievements &amp; Outcomes</b>	Program was conducted on awareness on the Government initiatives such as CSC, PMKSK, FPO’s, PACS as Multiservice centres, Petrol pumps, NCOL, NCEL BBSSL, Piper Water Supply, Large Grain storage Godowns, etc. PACS who have applied under these initiatives and other farmers/Members shared their experiences for development.
<b>Photographs &amp; AV Content</b>	
<b>Additional Remarks</b>	This awareness program provide the knowledge and awareness on the Government initiatives, organic and natural farming. Farmers clearly understood the disadvantages of chemical farming and the advantages of organic methods. Many farmers expressed interest in implementing these practices on their farms. We hope that conducting more such sessions in the future will extensively promote organic and natural farming.
