The journal serves as a key platform for sharing news, success stories, policy updates, and innovative practices within the <b>Land development &amp; Rural Development and cooperative banking system.</b></p> <p><u>Journal Features includes:</u></p> <ul style="list-style-type: none"><li>• Editorial by the Managing Editor on the ongoing policy reforms</li><li>• Special Program updates on <b>IYC 2025 activities</b> by the Federation &amp; its member banks.</li><li>• Government schemes and Initiatives of MOC.</li><li>• Coverage of events, training programs, and new Loaning Schemes.</li><li>• Best practices and initiatives taken by <b>State Cooperative Agriculture and Rural Development Banks (SCARDBs)</b> and <b>Primary Cooperative Agriculture and Rural Development</b></li></ul>
Objective	<b>The Land Bank Journal plays an essential role in knowledge sharing and strengthening communication within the LTCCS and the Stake holders'.</b>
No. Of Recipients	3100

**Achievements & out comes**

- ➔ **Enhanced Communication in LTCCS network:** LBJ serves as a centralized medium for disseminating important updates from the Ministry of Cooperation and member cooperative banks, ensuring timely and consistent communication across all levels.
- ➔ **Promotion of Best Practices:** It highlights successful initiatives (IYC Logo), innovative schemes, and developmental activities undertaken by member SCARDBs and their associates PCARDBs/Branches encouraging other banks to replicate & adapt similar models.
- ➔ **Visibility for IYC and Government Programs:** The journal plays a key role in publicizing International Year of Cooperatives (IYC) activities and government's initiatives and supported schemes, increasing awareness & participation of members at grassroots level.
- ➔ **Empowerment through Information:** It informs and educates stakeholders, policymakers, and rural communities about the importance of cooperative banking and ongoing support measures of Govt., impart financial literacy etc.
- ➔ **Building a Cooperative Identity:** By regularly sharing stories of collaboration, growth, and impact, LBJ fosters a shared identity and pride amongst NAFCARD and its members.

MONTHLY NEWS LETTER

VOL - 3    ISSUE - II    MAY 2025    Reg. No. 31729/79    08 Pages

**IYC 2025 offers a rare chance to expand co-ops across India: Shah**

The Board of NAFCARD has requested the Government to fast-track reforms recommended by NARCONS in the study on 'Reforms, Restructuring & Innovations in ARDBs' undertaken by Ministry of Cooperation last year. In order to facilitate legal reforms in the sector at State level the Federation has constituted an Expert Group to suggest amendments required in the State ARDB Acts based on the recommendations of NARCONS study team and also to formulate Model Byelaws for SCARDBs and PCARDBs based on proposed amendments in the Act. The Board expects the entire structure of LTCCS to attain sustainable viability once reformed and requested the Government to keep in abeyance the proposal for restructuring involving mergers and liquidation till an assessment of the impact of reforms is made.

Following a National level Review Meeting on Media Outreach of Cooperatives held under the Chairmanship of Ministers of State for Cooperation Shri Krishan Pal Curjar and Shri Mukundher Mohol, the Ministry of Cooperation has issued detailed guidelines to national Federations for widening the Social Media Outreach of Cooperatives across sectors. Based on these guidelines, the Federation has constituted a Social Media team at its office headed by the Chief Director, who will be supported by social Media Coordinators nominated by member banks at State level. Federation has also requested member banks which are not publishing Newsletters, at present, to start publishing Monthly Newsletter in regional language incorporating important contents in the Monthly Newsletter of the Federation.

The working results reported by SCARDBs for the year 2024-25 show impressive growth in lending and profits earned. During Haryana and Jammu & Kashmir, all SCARDBs have posted net profits during the year with substantial increase in the quantum of profits over the previous year. Himachal Pradesh SCARDB made a remarkable turnaround by posting net profit of more than ₹14 crores during the year compared to losses of about ₹13 crores last year. Total loans issued by SCARDBs during 2024-25 increased to ₹8904 crore from ₹5777.77 crore last year, registering an annual growth rate of 17.80%. A fairly good performance in lending also resulted in overall growth of more than 5% in outstanding loans of SCARDBs to ₹22356.34 crore from ₹21777.44 crore last year. Karnataka, Kerala, Tamil Nadu and West Bengal contributed most part of the growth in lending achieved during the year. Total loan recovery though increased to ₹631 crores from ₹607.8 crores last year, there was a slide in the overall recovery percentage by 5%, due to substantial increase in total demand. It is seen that the sector as a whole has achieved the overall growth targets for business expansion during 2024-25, as per business growth plan during Amrit Kaal projected by the Federation, while there is considerable shortfall in achieving state level targets in many States.

**K K Ravindran**  
Managing Editor

Union Home and Cooperation Minister Shri Amit Shah declared India's leading role in the UN designated IYC 2025 at the Maha Sammelan on "The Role of Cooperation in Building a Viksit Bharat" organized by the Gujarat State Cooperative Union on 16.05.2025 in Ahmedabad. He underscored the central role of cooperatives in realizing the vision of a developed India in the presence of Gujarat Chief Minister Shri Bhupendra Patel and other dignitaries. With 2025 declared by the United Nations as the International Year of Cooperatives, Shri Shah said India must lead by example. He called this a once-in-a-generation opportunity to expand cooperative values across every village and city. Now, the goal is to rebuild this structure from the grassroots up. A major highlight of his address was the govt's commitment to establish a Primary Agricultural Credit Society (PACS) in every panchayat by 2029. Over two lakh new PACS and dairies will be registered and integrated with 77 types of rural activities ranging from agri-services and storage to dairy and marketing. This move is expected to significantly boost rural self-reliance and financial inclusion. He emphasized that reforms must not remain on paper, they must directly benefit PACS and farmers. Without grassroots impact, he said, no amount of policy change can revive the sector. He also announced an upcoming policy to settle PACS currently under liquidation and to facilitate the creation of new ones where needed. He introduced the idea of "Cooperation Amongst Cooperatives", urging cooperative institutions at all levels to function in harmony. He proposed that primary cooperatives maintain their accounts in district cooperative banks to build a connected and mutually supportive network. The revival effort is anchored on three pillars: mainstreaming cooperation in governance, ensuring transparency through technology, and increasing citizen participation. More than 57 initiatives have already been launched under the MQC to support these objectives. Shri Shah
