Co-operative Department

A new milk parlour under the brand name “CO-LAIT” was inaugurated during March 2025 in the vicinity of Neravy by the Karaikal Co-operative Milk Producers Union Ltd., for sale of milk and its by-products to fulfil the needs of general public in Karaikal Region. Approximately 500 residents of Neravy village are expected to benefit from the availability of quality milk and related products through this outlet. To further enhance the sale and accessibility of milk and its by-products, new milk parlours are being established at various locations across the Karaikal District. At present, there are 15 such milk outlets in different parts of the Karaikal region, offering quality milk, coffee, and by-products at prices lower than those of private dairies, thereby serving the needs of the general public.
