Brief information on the Activity	28 newly recruited Junior Inspectors have been selected to attend a training programme organized by the Pondicherry State Co-operative Union. The training covers important topics such as the role of the Co-operative Department, the Puducherry Co-operative Societies Act and Rules, audits, elections, and the RTI Act. The sessions are conducted by departmental officials, retired PCS officers, Deputy Registrars, and other experts from various institutions. The training aims to give the participants both practical knowledge and a clear understanding of their duties
Objective	The departmental training for newly appointed Junior Inspectors in the Co-operative Department aims to give them a strong foundation for their duties. It helps them understand the structure, functions, and legal setup of the co-operative sector. The training provides practical knowledge in administration, auditing, inspection, supervision, conducting elections in co-operative societies, and the RTI Act 2005. It also develops important skills like record-keeping, financial analysis, and report writing, which are needed for proper functioning of co-operative institutions. The programme encourages ethical behavior, accountability, and public service values to ensure honest and transparent work. It also improves their understanding of key laws like the Co-operative Societies Act, Co-operative Rules, and Government Orders. Overall, the training prepares Junior Inspectors to be a strong link between the Department and the public, and to support the growth of the co-operative movement.
