

Government of Puducherry Co-operative Department

The Pondicherry Co-op Milk Producers' Union Ltd. Implementation Highlights – April 2025

1. ABIB-IVF-ET Project under Rashtriya Gokul Mission

- **Objective:** To establish pregnancies in cows using **IVF embryos** produced from **preserved (saved) semen**, thereby enhancing **milk production and productivity** through the propagation of **high-yielding animals**.
- **Embryo Transfers:** A total of **8 embryo transfers** were performed from **22 animals** on **17.04.2025**.
- **Pregnancy Diagnosis:** Conducted on **18 animals** on the same day, resulting in **4 confirmed pregnancies**.

2. FOSTAC/FSSAI Food Safety Supervisors Course on Milk & Milk Products

- The **FOSTAC training** equips food handlers with the **knowledge and skills** to implement **good hygiene and manufacturing practices**, ensuring **safer food handling and preparation**.
- The program aims to:
 - Enhance **food safety**,
 - Improve **compliance** with regulatory standards, and
 - Develop a **skilled workforce** in the food industry.
- FOSTAC promotes a **culture of self-compliance**, leading to better food safety practices and **reduced non-compliance** during inspections.

3. Capacity Building under NPDD Scheme – April 2025

1. **56 employees** underwent training on the **importance of personal hygiene while handling milk** at the **Dairy Plant, NDDB, and Bangalore**.
2. **23 employees** participated in the **Dairy Development Training Programme** at NDDB, **Gujarat**.
3. **20 employees** received training emphasizing the **implementation of quality management systems**, enabling food businesses to better **monitor and control product quality**.
